“Welcome to Pearl of the Indian Ocean”

Just located southeast of India, Sri Lanka is a hidden gem of the Indian Ocean. Sri Lanka, known as the "**Pearl of the Indian Ocean**", is a country endowed with a glorious historical and cultural heritage that spreads through centuries. It is an island distinct from any other country, which is blessed with an abundance of natural beauty and attractions. The depth and diversity of its natural beauty, ranging from the blue ocean and the golden sands to the emerald green mountains and its fauna and flora have enthralled travellers. Apart from all other beautiful natural features, Sri Lanka is best known for its beaches.
